Warm homes shouldn't cost the Earth!

Warm Homes event

ALL WELCOME!

Oct 14th 11am-2pm

Climate Emergency Centre

32 Cheapside (Flag Market), Preston PR1 2AR

Ann Vanner will give a talk about improving the energy efficiency of our homes including low-cost diy solutions.

Ann is an Architectural Technologist, passionate about retrofitting.

Expect to hear about Biophilic Design as well!

We'll then have a bring and share lunch, followed by a short CAP members meeting at which everyone will be updated about current projects
